

Maryland State Highway Rights-of-Way Nighttime Paving Planned

**Project
Description:**

The City's paving contractor, *M. T. Laney Asphalt Contractors Co. Inc.*, will resurface roads where utility repairs were made in 2014. The construction will occur along East Jefferson Street (MD 28) between Rockville Pike (MD 355) and Adams Street, along West Montgomery Avenue (MD 28) between Great Falls Road and Thomas Street, and along Wootton Parkway between West Edmonston Drive and Wootton Oaks Court. Construction is scheduled from June 22-30 between 9 p.m. and 6 a.m. Crews will remove and replace the base section of the road and will resurface the road.

The State of Maryland requires construction to be performed at night to minimize the impact on traffic and adjacent properties. Impacts during nighttime construction include temporary lane closures and construction noise. Access to driveways will be maintained throughout the construction period.

Purpose:

To repave streets where the Department of Public Works repaired water line breaks along Rockville Pike (MD 355) and West Montgomery Avenue (MD 28) and to resurface a section of road on Wootton Parkway.

Location:

East Jefferson Street (MD 28) between Rockville Pike (MD 355) and Adams Street; West Montgomery Avenue (MD 28) between Great Falls Road and Thomas Street; Wootton Parkway between West Edmonston Drive and Wootton Oaks Court.

Timeline:

Construction is anticipated to begin June 22 and end by June 30, weather permitting.

Cost:

\$70,000 (estimated).
